

EARTH DAY CELEBRATION

**SATURDAY, APRIL 24TH, 2021
1 PM- 4 PM**

**BLACK JACK BATTLEFIELD AND NATURE PARK
163 E 2000 RD, WELLSVILLE, KS 66092**

Join us at Black Jack Battlefield for a celebration of all things prairie and nature! We will be hosting an educational day of planting prairie plants, engaging in scientific research, and removing invasive plants. This is a great event for folks of all ages interested in learning more about the work that we do each and every day to help support and care for our wild spaces.

There will be several stations and booths to visit, each featuring different aspects of prairie management and wildlife education. A highlight of the event is the planting of inoculated plants for a Kansas Biological Survey research project studying the effects of mycorrhizal fungi on prairie restorations- a great way to get involved in prairie research!

This event will be held outdoors and masks are required! More information about this event can be found at www.grasslandheritage.org/blackjack.
